

## Level One Action Teams Application

### RE-AMP Network

Applications to become a Level One Action Team are considered on a rolling basis. Requests to become a Level One Action Team will receive a response within 10 business days.

Once you have completed Level One, you can apply for Level Two.

Please contact Gail Francis ([gail@reamp.org](mailto:gail@reamp.org)) with any questions.

#### 1. Your contact information.

- Organization
- Primary Contact
- Primary Signatory

#### 2. Organizations you will work with

Please select at least 2 organizations that are interested, the majority of which are RE-AMP members - [see the list of all Re-amp organizations](#).

If there are more than 2 organizations, please write them in here:

#### 3. Action Team Name

Please give your team a name that summarizes the basic topic, such as “Solar in the Great Plains” or “Reducing Highway Waste”)

- 4. What is the purpose of your Level One Action Team? We understand that you might be forming this Action Team in part to bring people together to work out a shared goal, so simply give us as clear an understanding as you can at this time.**

**5. States Represented**

At least two states must be represented - Action Team topic is applicable to other states as well.

Project State(s)

- Illinois
- Iowa
- Michigan
- Minnesota
- North Dakota
- Ohio
- South Dakota
- Wisconsin
- Non-RE-AMP State

- 6. How many total RE-AMP Network member organizations will be represented?**

- 7. How does this work fit into an equitable deep decarbonization framework? If it ties directly to the developing framework we have explored in Network-wide conversation framework we have explored in Network-wide conversation, please make that point explicitly for us.**

**8. Proposed Start Date**

**9. Proposed End Date**

If you want more than 6 months, please provide an explanation

**10. Please note an array of resources to help you succeed are listed on the Commons. Below are the resources that you might want RE-AMP Network staff to help you with.**

- meeting facilitation
- digital communication tools (e.g. ReadyTalk, Zoom, Maestro)
- stakeholder analysis
- systems analysis
- campaign planning
- regional data from the US Deep Decarbonization research team
- policy/ technical expertise (please describe)

**Are you aware of any help you might need specifically from Network staff?**

**11. Is there anything else you want us to know?**

Thanks very much. Before you submit, we want to make sure you've had a chance to review how Level One Action Teams will be evaluated before they advance to a Level Two, and to see the types of questions that you will be asked if your team decides to apply for Level Two support.

Here is a [link to the evaluation](#), and here is a link to the [Level Two application](#).
